We strive to source locally (120 miles), naturally, and sustainably raised products for our patrons. Find our locally sourced selections with #hashtags# on the menu. To support our farmers, use the hashtags on social media to post while "checked in" at Forty Two to receive a weekly deal.

Buying locally is not only imperative to our physical well-being, but fiscally supports a level of grassroots economics that is key to our local economy and heritage. It is not only a responsibility, but a necessity.
